POOR JAPANESE!

President Dole Said to be Trying to Get Rid of Them.

In verification of the old adage that one has to go away from home to hear the news, a late San Francisco Call says a reliable gentleman has lately informed Labor Commissioner Fitzgerald that there is a perfect exodus of Jap coolies from the Sandwich Islands. They go direct to Victoria by steamer and cross over to the Washington ports in small boats. Hundreds go to Portland and take coast vessels to San Francisco. This route is followed first because it is easier to enter British Columbia and then the United States than to come direct from the islands, and further they know they will have no trouble from the Immigration Commissioner when they sail from coast ports. The news of the anti-Jap agitation here has caused them to take this route. Every coastwise steamer from the north brings in coolies and every northern train has the same class of passengers.

The reasons for the Japs leaving the Hawaiian Islands in such numbers was explained by the gentleman, who said that he recently heard from a Cabinet officer at Honolulu that Japan has demanded of the little island republic that the Japanese residents of the islands have the right to become citizens. The late deposed native Queen had promised this to Japan before the throne was pulled out from under her. President Dole and his Cabinet had no idea of admitting Japanese coolie laborers to citizenship, but feared to be too open in his refusal. Japan, flushed with recent victories, might enforce her demand by sending a man-of-war to bombard Honolulu. President Dole adopted the plan of getting rid of the bulk of the Japs as the easiest way to avoid trouble, and, through means at his disposal, work has been scarce for Japs on the island during the last year, and the coolies are emigrating to the United States via Victoria.

This statement is, in a measure, substantiated by the letters that fell into Mr. Fitzgerald's hands, stating that Japs could be sent from Honolulu to California to work in the orchards for \$12 a month. He regards the situation as alarming, and will at once communicate to the authorities at Washington, D. C.

Mechanics' Home, corner Hotel and Nuuanu streets, lodging by day, week or month. Terms: 25 and 50 cents per night; \$1, and \$1.25 per week.

Ladies on the other Islands can do their shopping by post by applying to L. B. Kerr for samples. They should embrace this opportunity, and get a single yard at wholesale prices.

Blood Diseases,

When the blood is diseased and the system Anemic or Scrofulous, it carries sickness through the whole body, for the current of human life is in the blood. This proves how necessary it is to have pure rich blood, because an impoverished condition of it brings on Fevers, Malaria, Rheumatism, Bowel Complaints, Lung Scrofula, General Debility, etc.

Wampole's

Preparation,

perfected and tasteless, of Cod Liver Oil with Compound Syrup of Hypophosphites, Extracts of Malt and Wild Cherry Bark, resists the attacks of all disease germs in the blood, is highly recommended as the best modern treatment to clear your system and to bring back robust health and strength. Is really a family medicine chest.

Don't Make a Mistake!

The oldest, best and cheapest furniture store in the city was established by the veteran furniture dealer and undertaker, Mr. C. E. Williams, in 1859, and is now conducted by him and his oldest son Ed. A. Williams at 611 King St. We wish to notify our patrons and the public generally that we have no connection whatever with any other furniture and undertaking establishment in Honolulu.

611 KING ST.

THERE IS NO MISTAKE.

When people walk into the CITY FURNITURE STORE at the corner of Fort and Beretania streets and ask for Mr. H. H. Williams, they make no mistake.

They know where they can get the best value for their money and a good variety to select from.

C. E. WILLIAMS having sold his ENTIRE INTEREST in the Furniture and Undertaking Business to Mrs. Ed. A. Williams on the 17th day of June, A. D. 1895, and having left the country, his second son, HENRY H. WILLIAMS, now becomes the oldest experienced FURNITURE DEALER AND UNDERTAKER in Honolulu.

MR. H. H. WILLIAMS entered the employ of his father about twenty-five years ago, since which time he has made a continuous study of the Furniture and Undertaking Business. He graduated from Dr. S. Rodgers' Perfect Embalming School in 1890, since which time he has made a success of that branch of the business.

He does not advertise the oldest nor largest stock of Furniture in town, nor does he covet all the trade in town.

He only asks for his share, and from appearances he is getting it, consequently he is satisfied.

He receives new goods every month and fills order promptly.

WELL! WELL!! WELL!!!

Just Look at the Mistakes.

When people order by telephone of another Furniture Store and then walk into C. E. WILLIAMS & SONS Store and ask why the goods are not delivered on time they make a mistake. When a lady telephones to the store of C. E. Williams & Son to come and take back a piano that was sent to her by another furniture man she makes a mistake.

It is a Mistake to think that C. E. WILLIAMS has left the country without a return ticket.

It was a Mistake to try to stop him from going.

It is a Mistake to imagine that he will not return with a stock of goods, with prices that will make the public happy and paralyze some folks.

It is a Mistake if Clark's school of embalming from which Mr. ED. A. WILLIAMS graduated last year is not the best on Earth.

It is a Mistake if you think we do not covet all the trade in town; we do! We would like the Earth and Necker Island thrown in.

It is a Mistake if you think (all insinuations to the contrary) that we do not still remain, Yours as ever,

C. E. WILLIAMS & SON,

C. E. WILLIAMS
